

1965

PANTHER

PANTHER '65

Berwick High School
Berwick, Louisiana

Volume 9

FOREWORD

With a breeze of enthusiasm at the start of the year, we, the staff, got into a dance to earn extra money for a whole new yearbook. By the close of a busy night, we had been dancing and we had about \$70.00. We soon learned that producing a book meant more than enticing hesitant parents to chaperone our dances; it meant gathering data, organizing groups for pictures, writing and rewriting stories and captions, until suddenly - March 1, 1965! Deadline! Yipes! Copy, running heads, captions, layouts, pictures, typing final layouts, sub-headings! Would we ever finish? This was the question heard throughout the year. Now that the year has ended, so has our yearbook, the Panther '65.

BEAUMONT
HIGH SCHOOL

1988-1989
YEARBOOK

DEDICATION

Although in years your time in our Berwick High School has been relatively short, your accomplishments have already become numerous and your influence far-reaching.

In respect, admiration, and in gratitude for your enthusiasm, interest, and leadership, as well as for your ability as an instructor, we the Panther Staff dedicate our 1965 yearbook to you, Mrs. Dorothy Waldrop.

"What? It still doesn't touch the floor? We'll have to see about that!"

Who's our bestest English teacher? Who watches our grammar - as well as our skirts? Who makes our student council possible? Don't know?

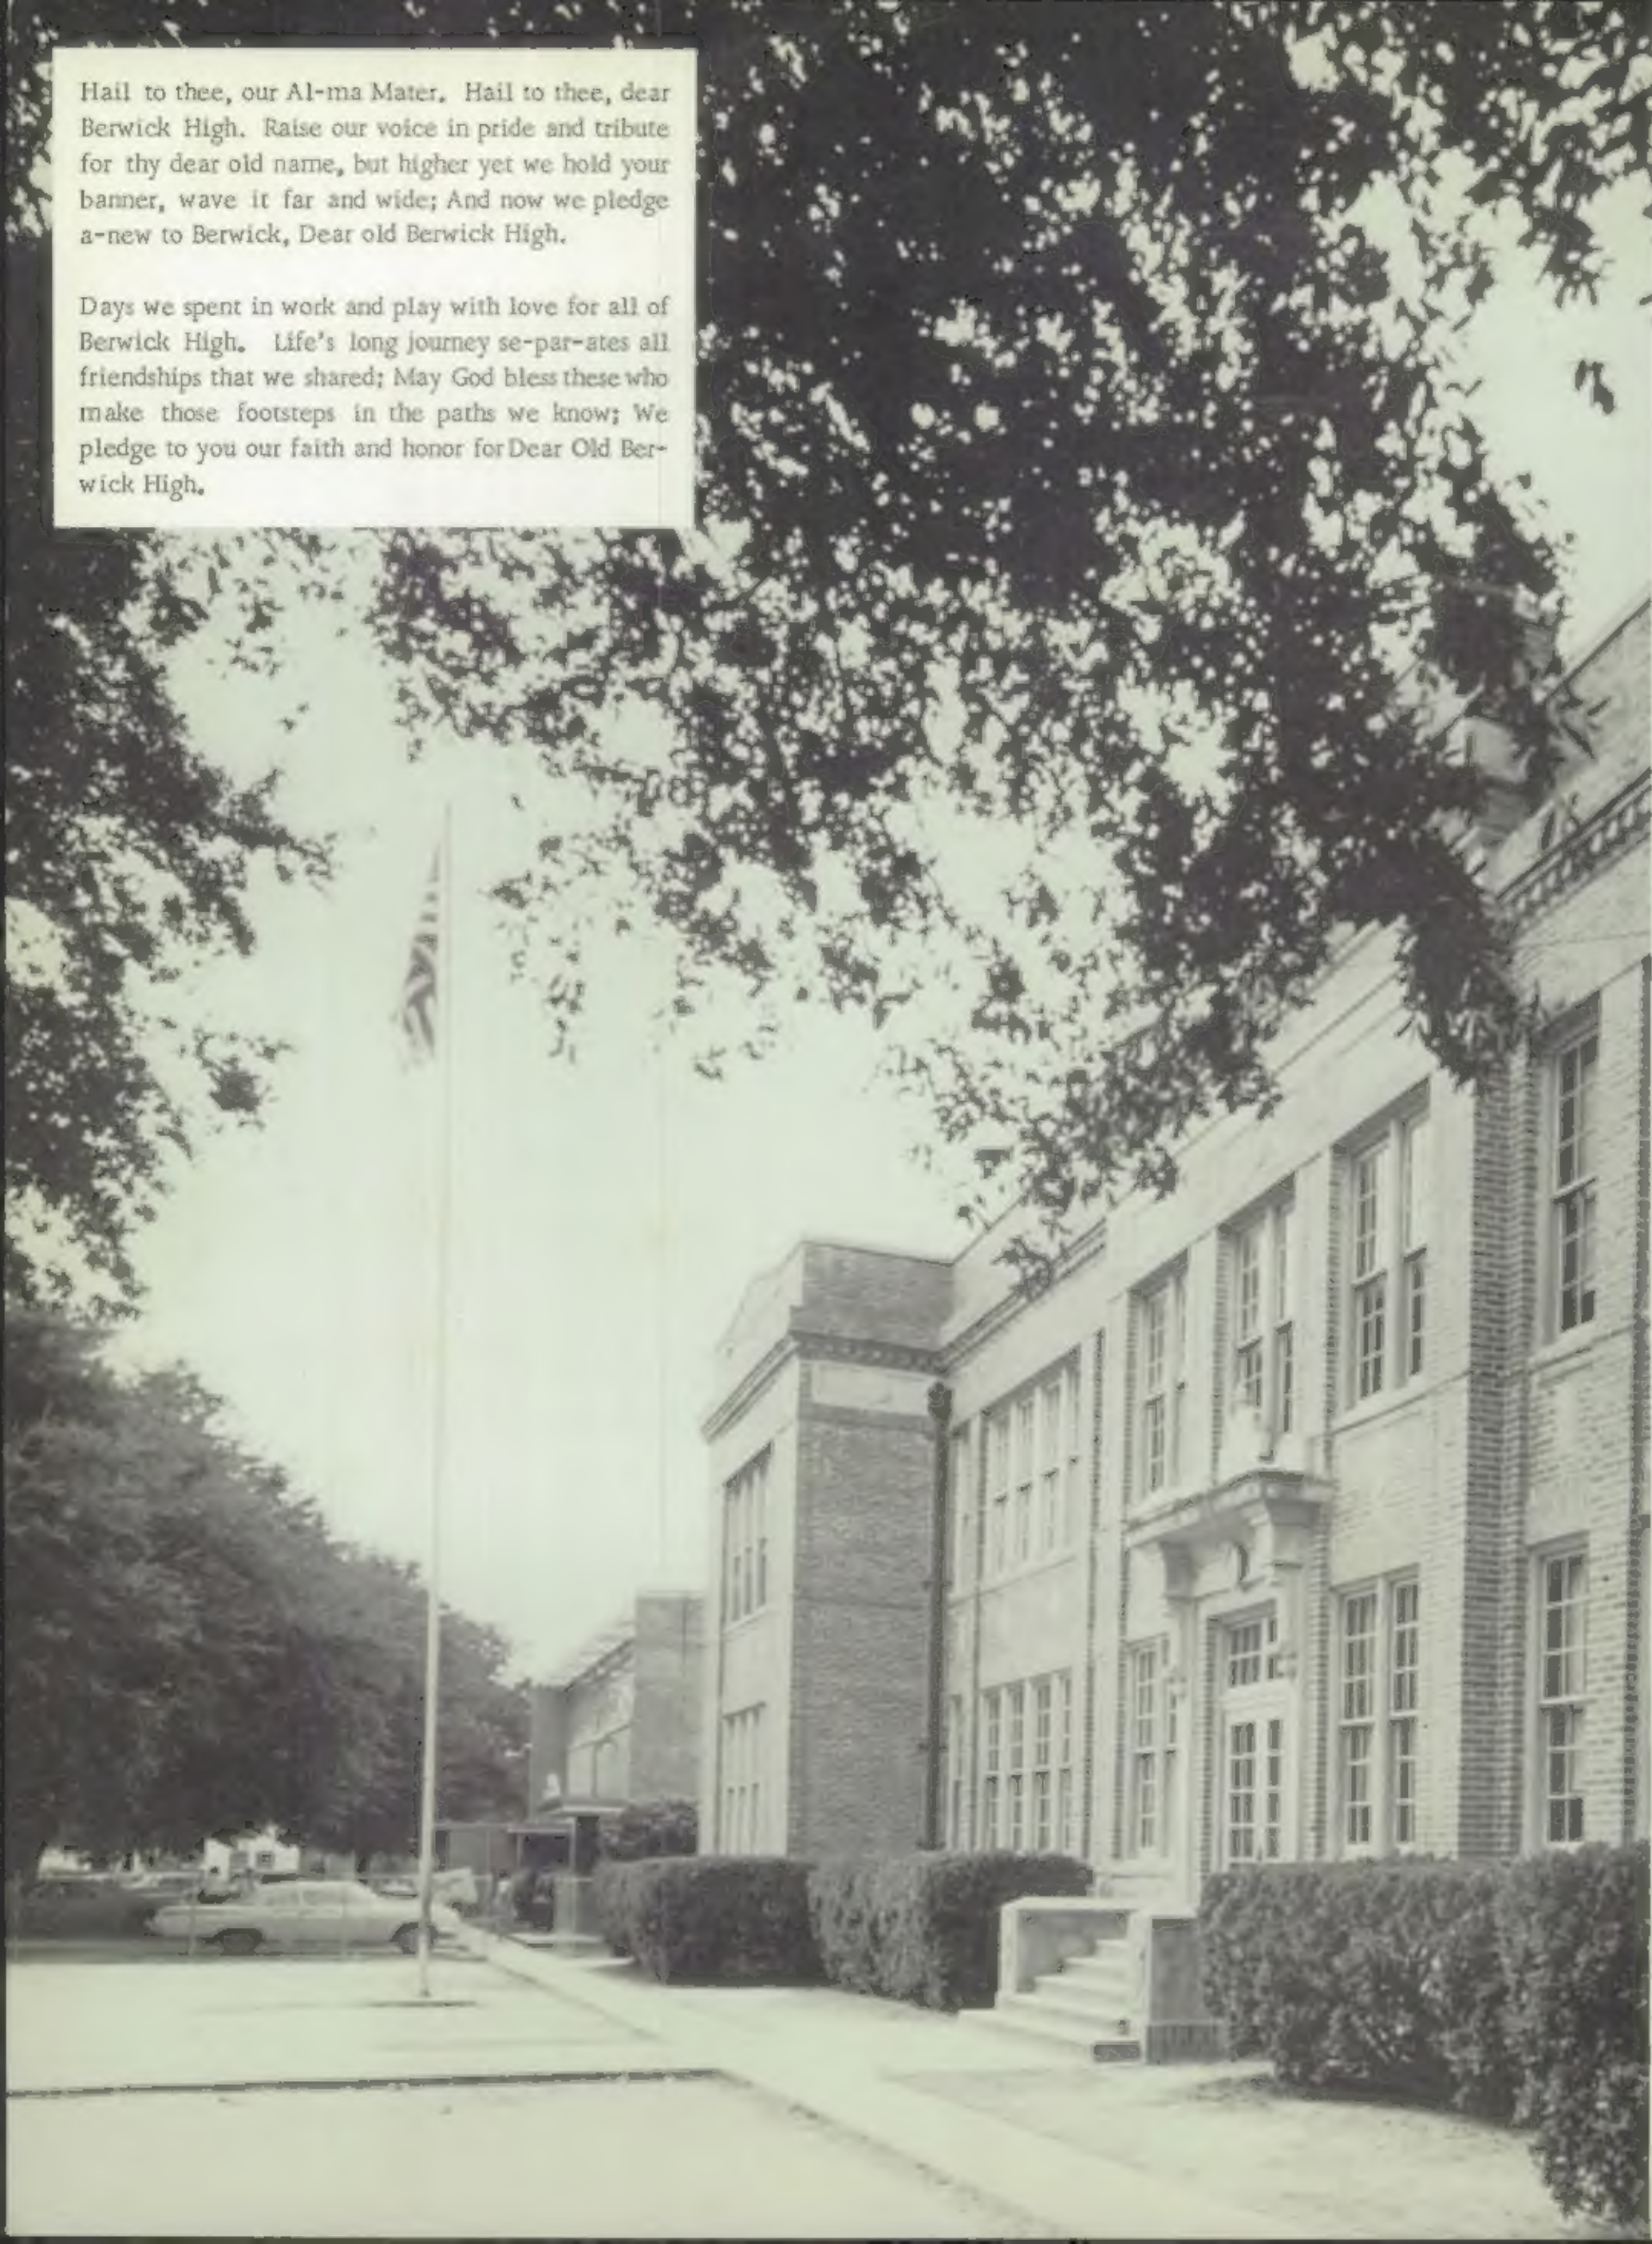

Well then who's a Yankee fan? Our most eminent teacher? and - Who's our best "bench-vaulter"?

YEA! Mrs. WALDROP!

Hail to thee, our Al-ma Mater. Hail to thee, dear Berwick High. Raise our voice in pride and tribute for thy dear old name, but higher yet we hold your banner, wave it far and wide; And now we pledge a-new to Berwick, Dear old Berwick High.

Days we spent in work and play with love for all of Berwick High. Life's long journey se-par-ates all friendships that we shared; May God bless these who make those footsteps in the paths we know; We pledge to you our faith and honor for Dear Old Berwick High.

ADMINISTRATION

Mr. LeBlanc

Mr. LeBlanc, our principal, sees all, knows all and never fails to remind us of it. But seriously, we are very fortunate to have such a dedicated principal. His many contributions to our education are felt and acknowledged by all. Without his exuberant aid and learned ability our progress would recede considerably.

Our chief executive presents a more than favorable image of our school - but bear in mind that he is not an ornament we bring out for show - he is a full-time, around the clock, night and day worker. The extra tasks he performs are usually not even considered by one of his position.

So we are firmly convinced that our Mr. LeBlanc runs the best school in the best possible way.

Mr. Bourg

Mr. Bourg, "the battleship of Berwick High", calms our troubled waters with his broad smile, quick wit, and understanding regard for all. His is an essential part of our school as Assistant Principal, Guidance Counselor, and all-round number one spirit booster.

Mrs. Moise

Our helping hand - has eliminated many difficulties due to our imprudent acts. Do we each realize and appreciate the enormous amount of work she performs daily for our school and students alike? In a sense, Mrs. Moise, our secretary, is the switchboard of our school. We, the students and the faculty, offer her our gratitude and thanks.

SCHOOL BOARD MEMBERS

ELBY FANGUE

HERMAN PLESSALA

MEMORIAL

He worked long and tirelessly to carry out all duties of a school board member but we are indebted to him for the many things he accomplished for our school and all students over and above the call of duty.

It was he who initiated the original plans for the new schools in the Berwick area. Although at the time not all were completed, gradually the fruits of his efforts are being realized.

He was instrumental in securing additional equipment for our band students, which we would not have received otherwise.

He went to all lengths to help the Berwick Lions Club to provide a playing field and bleachers for our high school athletic teams.

In every endeavor he gave endlessly of his time and efforts to contribute to the progress of our Berwick schools.

MRS. MAIN

"Miss Snack-Bar Lady" keeps us well supplied with all those little delicacies necessary for the energy to carry us through the treacherous voyage for knowledge. She encourages fast movement with her famous "NEXT!"

MRS. DUAY AND HER CO-WORKERS

We are well acquainted with the wonderful job done by Mrs. Duay and her co-workers. Each day they are faced with the tremendous responsibility of feeding hundreds.

Our nourishing meals are the product of much behind the scene planning and working, not to mention the difficulty of satisfying the students.

Their smiles are always accompanied by warm and pleasant words, which would be missed as sorely as the aroma of our meals in the making if they were to leave our campus.

CUSTODIANS

The custodians of B.H.S. are always available when it comes to cleaning our campus. They work long hours keeping our school presentable and we would at this time like to express our gratitude.

BUS DRIVERS

Their perseverance is to be commended. To put up with the constant chatter and uproar made by B.H.S. students to and from school requires patience and a very kind heart. We are very grateful to them for providing transportation for the special occasions on our agenda. We hope that they enjoy it as much as we do.

DEPARTMENTS

COMMERCE

Our Commerce courses prepare us for battle in the business world. General business, typing, shorthand, bookkeeping, and business math are offered to those of us who intend to follow a business career, and also as preparation for college and day-to-day living.

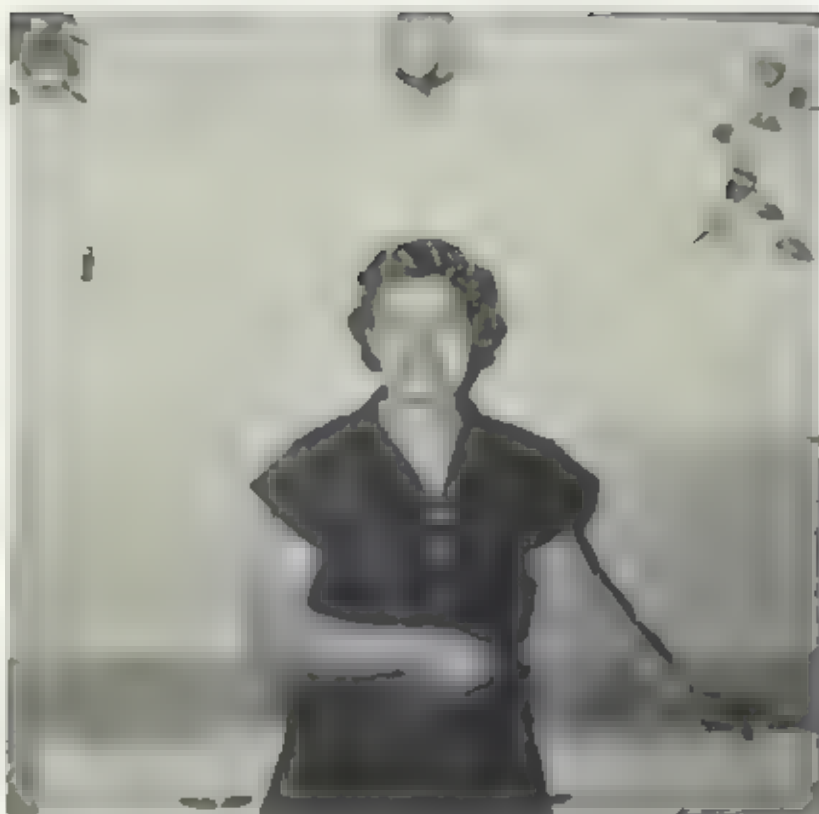

SOCIAL STUDIES

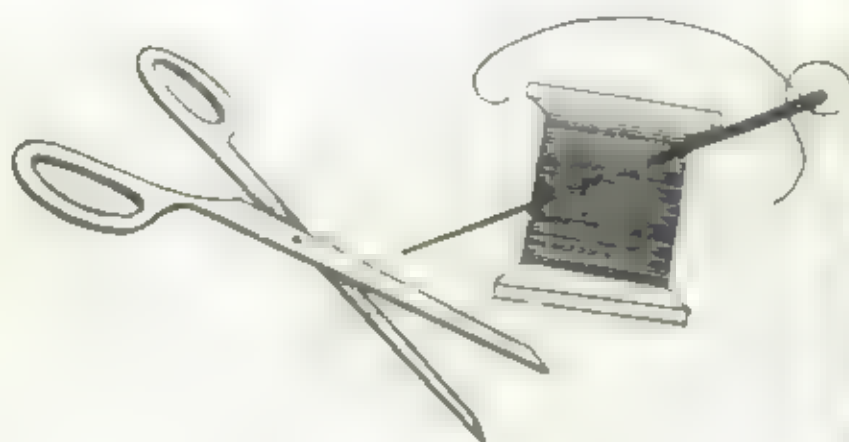

What good is history? Who needs it? Why not forget the past? These common questions are answered in the history and social science classes of our school. Requirements at our school are civics, American History with an elective of World History. Our living standards or way of life today stem from the very beginning of our nation and the simplest form of government. That's why we study history and the other social sciences.

HOME EC.

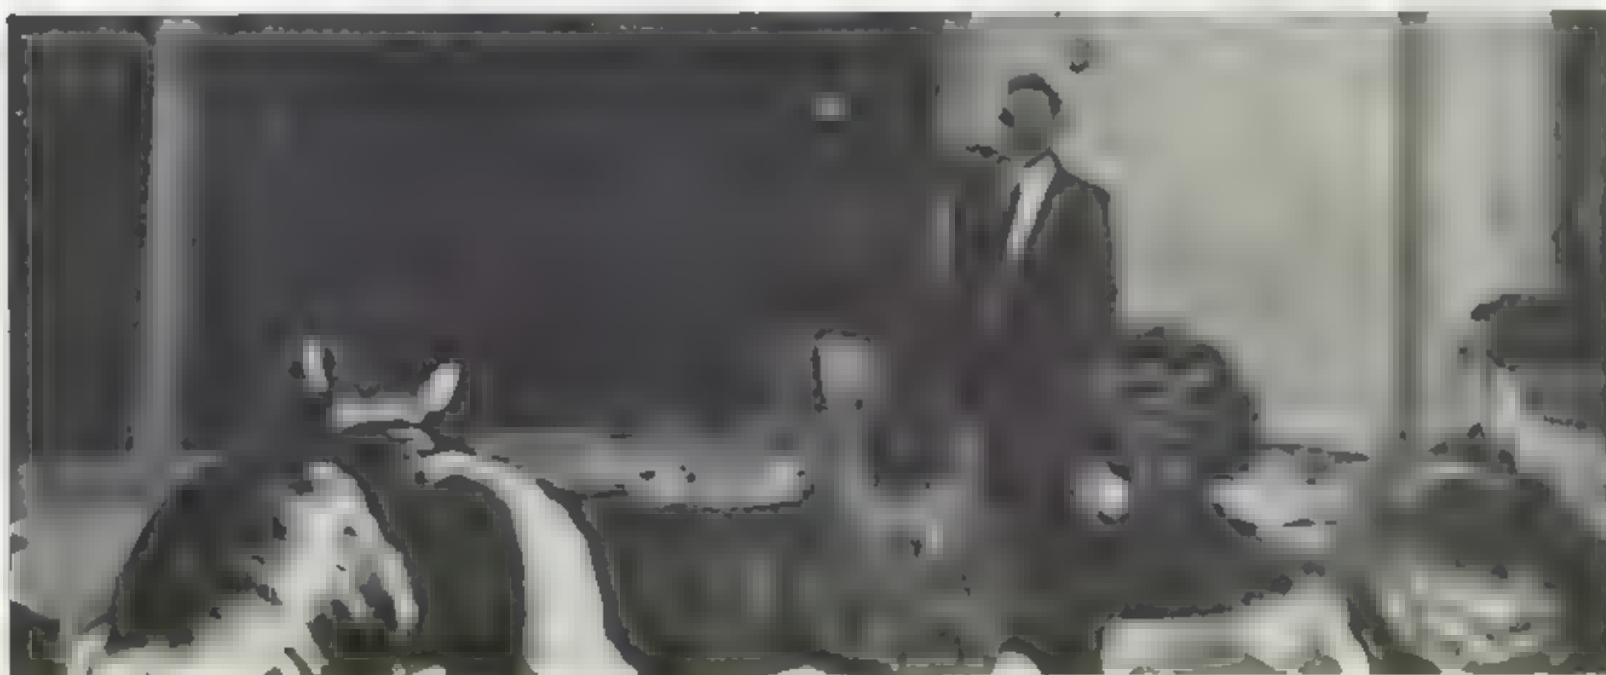

Strange things like green mashed potatoes happen in home economics. Nearly every girl wants to learn the techniques of cooking and serving and the home economics courses bring the kitchen and the sewing room to school. By the way, anyone for burnt toast and a blouse with the sleeves in backwards?

LANGUAGES

Our language department this year is one of the best ever had at BHS. We are fortunate to have such qualified teachers as we do. Our English department has broadened to take the load away from any one teacher.

The foreign language offered is French. It is one of the universal languages and we have an experienced man teaching it.

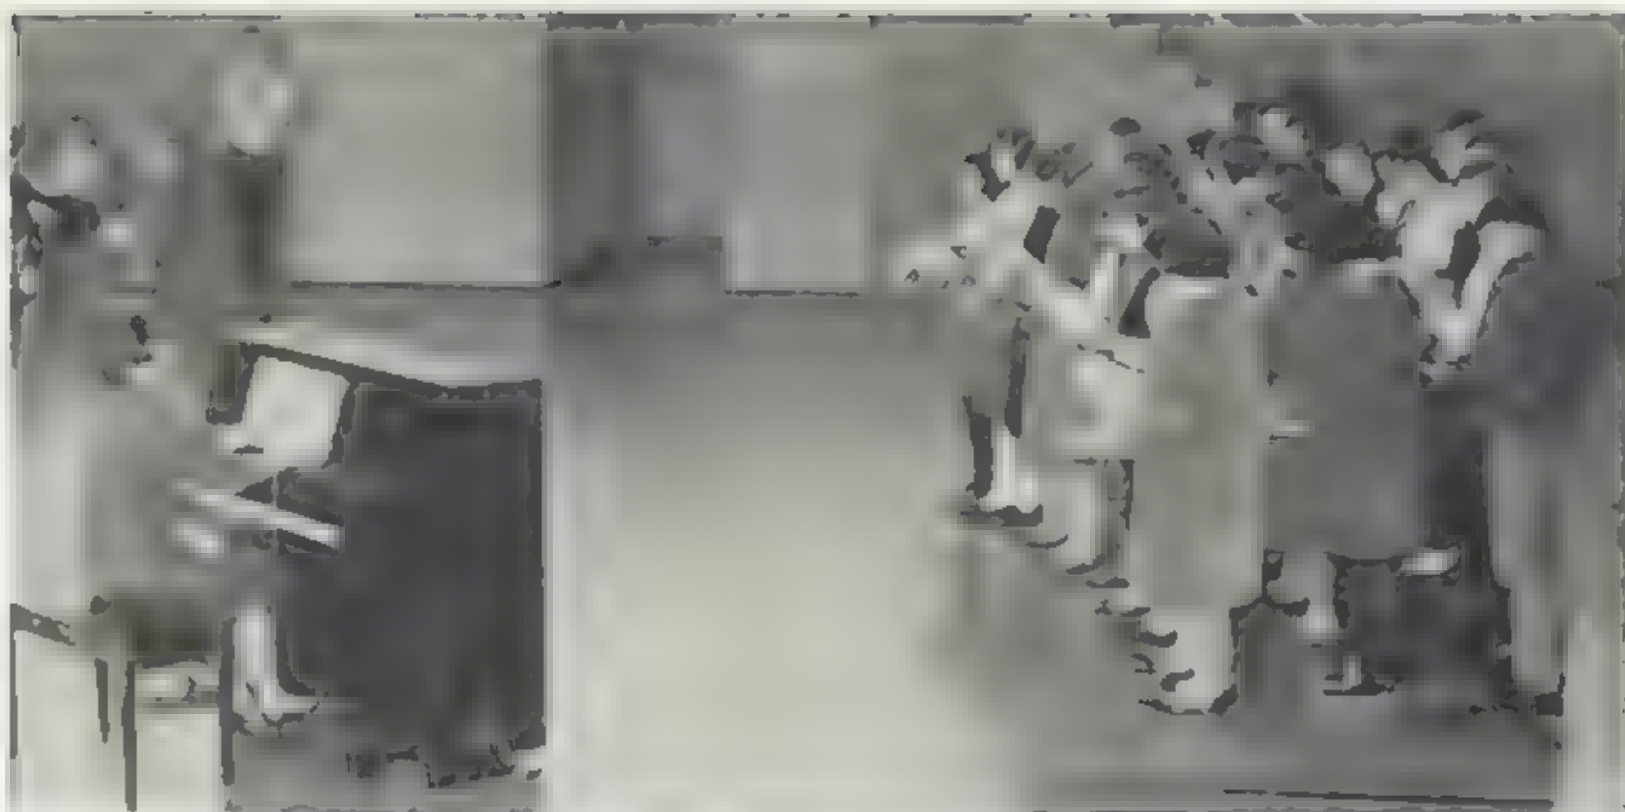

MATH

Without mathematics there would be lop-sided houses, crooked telephone poles, and even bad-tasting food. You might say that it takes the guesswork out of our society.

MUSIC

In our music department this year another subject has been added which is chorus. Our BHS Chorus leads us in song at our Pep Rallies and Assemblies. Their sound is very harmonious. Chorus has proven to us that it is needed and wanted here at BHS.

As everyone has noticed there has been quite a change in our band. During the marching season the band was very showy and military. They looked and sounded very good. Concert season has started and the BHS band has proved their ability in this too.

PHYSICAL ED.

Keep in shape boys, or those girls will be first string on the basketball team. Keeping in good physical condition is a must in the course required for both boys and girls.

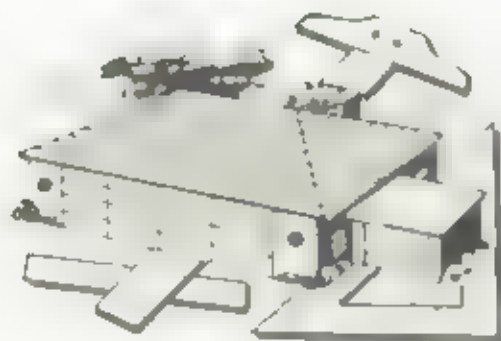

SCIENCE

While walking down the hall one day this year did you happen to hear a bubbling noise? Most likely it came from the chemistry lab. Chemistry, and the many other sciences are chief courses in our studies at BHS.

SHOP

The Industrial Arts department of BHS has a new instructor, Mr. Sercy. Each class has different topics to cover during the year: Shop I - mechanical drawing and hand tools and woodwork, Shop II - machine wood-working and gas engines, Shop III - electricity and metal work, Shop IV - mechanical drawing and architectural drawing. As you can see, by the time a student takes all four Industrial Arts classes, he is pretty well suited for most any industrial problem that he encounters.

SENIORS

OFFICERS: President - Kent Krieger, Vice-President - Karoly Passala, Secretary - Sharon Stansbury, Treasurer - Mike Ortega, Parliamentarian - David Adams, Representative - Jamie Nagin

CLASS MOTTO: We believe in minds that think, hands that work, and hearts that love.

COLORS: Black and Gold

FLOWERS: Gold Chrysanthemum

Hi, Ring! Where's your Senior? Such is the case here at B.H.S. Annoying? Quite, until we're seniors, that is. We really have a great group of seniors tho, and we owe them our respect. We've heard many arguments pro and con, concerning the cancellation of future senior trips.

Sorry, seniors, we all feel for you, but, unfortunately, there's nothing we can do.

Graduation is at hand and the world is at your doorstep. Good luck!

We shall miss you, but the following thought will always linger:

Good Seniors don't die; they just fade away!

ship Conference 4; Pep Squad 1, 2, 3, 4; Stu-
dent Council 4; Rally 3.

JUNIORS

OFFICERS: President - Mary A. Blakeman; Vice-President - Barbara Martin; Secretary-Treasurer - Diana Oliver; Parliamentarian - Jackie Vidos; Representative - Mike Hopkins.

Operation: Junior-Senior Prom

Everyone knows how hard our juniors work - car washes, dances, and magazine sales. Our cars are shining clean, we've all enjoyed the dances, and our magazines are coming in as scheduled. We predict that this year's Prom will meet our greatest expectations. We also predict that Mrs. Reeves will be proud of her diligent workers.

SOPHOMORES

OFFICERS: President - Marsha Bella; Vice-President - Don Ryan; Secretary-Treasurer - Judy Carline; Parliamentarian - Elaine Thibodeaux; Representative - Danny Dodds.

The Sophomores of this year are a very conscientious group. They have been making money since their first year in High School. They have proven that they are a render to B. H. S. by showing good leadership and dependability among their officers and members. The Sophomore Class says, "All work and no play makes all good members dull Panthers." Now, whoever heard of a DULL Panther

FRESHMEN

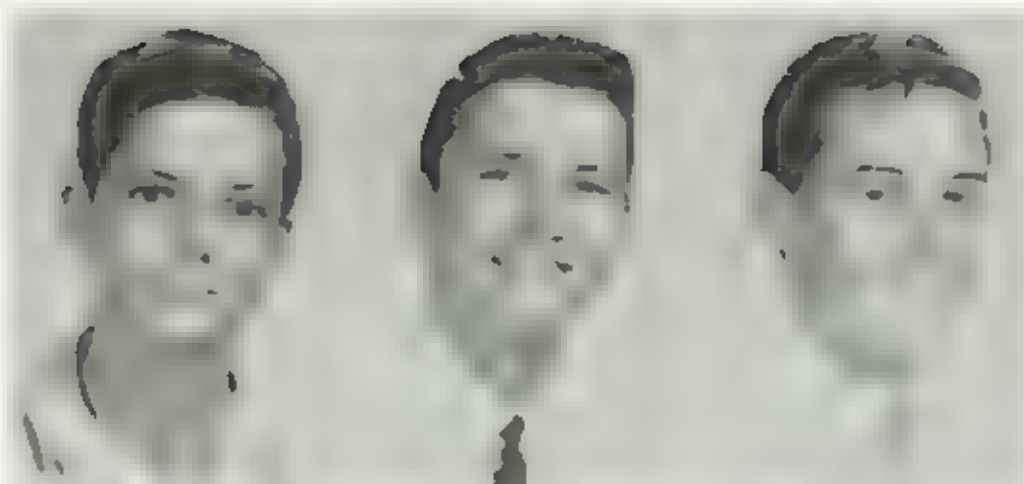

OFFICERS: President - Vicki Folse; Vice-President - Pam Willis; Secretary-Treasurer - Peggy Lambert; Parliamentarian - David Boudreaux; Representative - Nancy Thibodeaux.

"Freshmen! At last we finally made it," cries our happy little ninth graders. Each and every year all Freshmen withstand their crowded lockers, the trials of being lowerclassmen, and the jeers and an occasional appraising glance or word from an upperclassman. Our freshmen this year are no exception. They are adapting themselves to the pace of high school activities as all good Freshmen should.
